# WELCOME TO ESSEM ENGINEERING

ESSEM Engineering has been making its own history over the last 8 years. Long recognized for the competence of its engineering service, contracting sector & quality of its work, the company has thrived in a rapidly changing Industrial marketplace.

We intend to make working with ESSEM Engineering as easy as possible. This can only be achieved with good communication and understanding, and the correct use of contract management tools: Reporting, Progress evaluation, and an imaginative flexible approach to solving problems. Operate an open and honest relationship with all of our clients and this includes joint decisions making processes, agreed objectives and anticipated goals. Here at ESSEM Engineering we have many years experience between us, our complimentary styles and ranges of experience have produced a most capable team.

The activities of Essem Engineering encompass from concept to Commissioning Assistance and include Procurement, Fabrications, Erections, Testing & Commissioning Assistance for Electrical and Instruments & covering all facets of projects and maintenance under one roof.

Since its inception in 2013, ESSEM Engineering is a leading in the Contractor for Switchyard, Electricals Instrumentation and Solar Work activities also include Overhauling. Initially the company was in Erection and Commissioning of Steel Plant, Refinery, Chemical Plant, Pharmaceutical Plants, Thermal Power Plants & Solar Power Projects but now major emphasis is on turnkey Erection of Solar power project. Our teams of qualified Employees ensure that every job, no matter the size and complexity is carried out in a safe and professional manner. We have built a solid reputation with client satisfaction, guaranteed.

**We've never forgotten our roots and who we are and we're extremely proud of what we do – no job is too large or too small for ESSEM Engineering.**

# ESSEM ENGINEERING FACT SHEET

- **Founded in April 2013.**
- **Founder: MUZIBUR RAHMAN MOHAMAD SHAIKH.**
- **Business Type: ELECTRICAL INSTRUMENTATION & SOLAR WORK.**
- **Employees: 120.**
- **Location: VADODARA, GUJARAT.**
- **Turnover : 50.45 MILLION.**
- **Major Services: – SWITCHYARD TRANSMISSION LINE,  
– ELECTRICAL INSTRUMENTATION &  
– SOLAR WORK**

## Our Vision is “To be Recognized as a leading Engineering Company in India, through our service as per Customer Satisfaction”

In order to achieve this vision, our goals are:

- To continue to provide and develop strong leadership with integrity.
- To constantly strive for continuity of works, taking pride in our aim of delivering all projects safely, on budget and ahead of program, ultimately exceeding client expectation.
